PRINCIPAL'S MESSAGE

With a heritage that goes back to more than forty years, Chaiduar College occupies an important place in north bank Brahmaputra. Established in 1967, initially with Arts stream, affiliated to Gauhati University with a vision to provide facility of higher education was placed under deficit grants-in-aid by Government of Assam in 1977. Considering the need of the hour, Science stream was started in 1987 to meet ever-growing need of science education in the society and was placed under deficit grant-in-aid in 1998.

Since establishment, Chaiduar College is continuously growing in all aspects of its academic as well as infrastructural resources overcoming all odds. **Recently, Commerce and B.Voc discipline has been added to list of existing disciplines.**

The motto of the college is to prepare the youth to remain resolutely fixed to their goal and over changing values and perspectives of life so as to enable them to identify themselves as conscious, integrated and wholesome human beings capable of meeting the challenge and opportunity of life in the noblest and most disciplined way.

Though the college achieved milestones which could not be imagined few years back with the advent of globalisation and the opportunities thrown before us, preparing the students for various jobs is given a new thrust in the coming years. Introduction of Courses like Entrepreneurship Development is also expected to create an awareness for self employment and development of the region.

Success of an institution can only be measured in terms of the extent of benefit it serves to the students and the society in general. Chaiduar College has been taking positive steps for the fulfilment of hopes and aspirations of the Chaiduaris in particular and of the state in general. We hope, in the coming days, we will initiate more schemes for academic and infrastructural upliftment of the college.

THE COLLEGE

Chaiduar has curved a niche in the history of Assam that posterity will cherish in the days to come. Although the place owes its name primarily to strategic geographical location having six routes of entry from the adjoining hilly places, it attains significance because of its existence in conjunction with the place Gohpur, which has been made the Sub-Divisional Headquarter in the District of Sonitpur, Assam.

To address the necessity of higher education in this large area stretching from Buroi to Howajan, the college with Arts Stream, affiliated to Gauhati University, Guwahati, was set up in 1967 with all out support and co-operation from a few humble citizens in particular, and neighbouring populace in general. The college was subsequently placed under deficit grants-in-aid by Govt. of Assam in 1977. Giving further boost to the direction of higher studies, the Science Stream was given a decent start in 1987, and was placed under deficit grant-in-aid in 1998.

Realizing the ever growing need as felt in higher education, the college introduced a few Career Oriented and Computer courses in 2006, and the much needed Commerce Stream in

2012. Alongside this, the college is running handful of courses under the supervision of the Indira Gandhi National Open University (IGNOU) and Krishna Kanta Handique State Open University (KKHSOU) as partner institute. In addition, our college has a rare privilege of initiating skill based B.Voc.(2015) courses and some other courses under the IDOL – Gauhati University. Doing all this, what is sought to achieve is a genuine hub of teaching-learning environment that is all conducive to students and well wishers alike.

NAAC ACCREDITATION

Chaiduar College was accredited by NAAC for the first time

in 2005 and was awarded a C++ grade. The college was reaccredited in 2010 and was awarded a B grade (CGPA 2.68) grade points. Again the college has been reaccredited in November 27, 2017 and graded B++ (CGPA 2.82 on seven point scale).
