### FROM THE PRINCIPAL'S DESK

It is a matter of immense pleasure and satisfaction to know that the new edition of the Annual Newsletter of Chaiduar College is all set to see the light of day. The college celebrated the concluding ceremony of the Golden Jubilee with great fanfare and with a wide array of cultural and academic programmes last year. The untiring and dedicated service of the faculty members and the office staff have been commendable all through in making the institution a force of social-engineering. New educational courses and programmes are being planned of which the Integrated B.Ed course is one—which, if all goes well, may start from the next academic session. The newsletter is a chronicle of events, milestones and activities going on in the college. I appreciate the enthusiastic efforts made by the editorial board in bringing out this edition of the Newsletter. I am confident that this issue of Newsletter will send a positive signal to the staff and students and to the society at large. I extend my heartfelt congratulations to the editorial board and offer best wishes to all members of the Chaiduar College fraternity.
